

Join an EPIC Group of Leaders

EPIC members are part of a prestigious group of powerful business leaders at the **cutting edge of workforce and child care solutions.**

Raise Awareness

Members leverage their expertise and credibility to highlight the critical role child care plays in workforce success and employee recruitment, retention and economic growth.

Advocate

EPIC members champion innovative policies at every level – from local communities to state leadership.

Inspire Action

Our members are deeply committed to promoting tools and solutions for child care challenges to ensure support for the workforce of today while investing in the workforce of tomorrow.

By joining EPIC, business leaders put their voice and influence behind impactful community work and help enable success for Colorado children, families and businesses.
